DEDICATION to one

who inspires the confidence and morale of athletic teams and the student body behind them . . .

who eases our frustrations with his bubbly humor and incredibly predictable good nature . . .

who erases apparently insolvable problems with a simple word of common sense . . .

who most of all offers himself unselfishly as our friend . . .

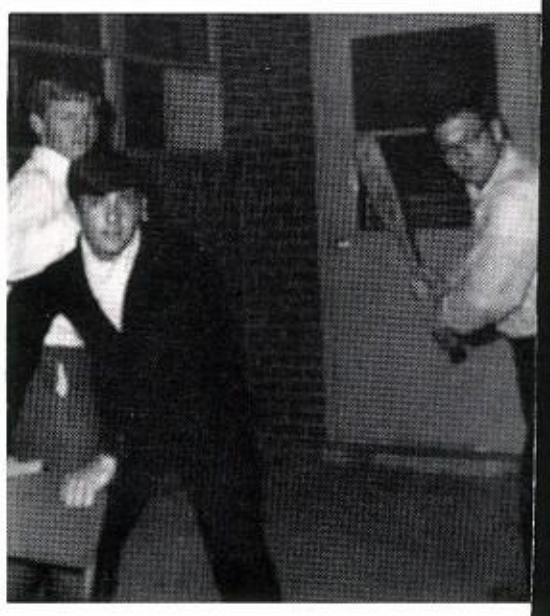
DELTA SIG
FRATE



On behalf of the other officers and myself, I would like to thank everyone who contributed to the planned improvement of the Delta Sigma Tau Fraternity. This year we have worked to the utmost of our ability to put our club "on top", and we believe we have. Club interest has increased considerably, and we feel that through our actions we have gained the respect of other club members and of the school. We hope future members will continue the tradition that we have tried to begin.
